

My Delightful School

Chapter 6: My Delightful School · Topic 1

Key Concept

A school has different staff members like the principal, teachers, and support staff, each playing an important role in running the school.

Schools organise various activities like sports day, annual functions, and educational trips to help us learn and grow beyond textbooks.

Following school rules and being respectful to teachers and classmates creates a positive and safe learning environment for everyone.

Participating actively in school life, including studies and extracurricular activities, helps us develop skills and make lasting friendships.

Quick Revision Notes

- School staff: principal, teachers, support staff.
- Each plays an important role.
- Schools organise sports day, annual functions.
- They also organise educational trips.
