

Vocabulary and Language Practice - Fun with Pictures

Chapter 6: Fun with Pictures · Topic 2

Key Concept

A naming word (noun) is a word for a person, place, animal, or thing, like 'boy', 'tree', 'dog', or 'ball'. Looking at pictures helps us learn many new naming words.

We can also practice describing pictures using simple describing words (adjectives), like 'big ball' or 'small bird'.

We can also learn action words (verbs) from pictures, like 'running', 'jumping', or 'sitting', which describe what the people or animals in a picture are doing.

Combining naming words, describing words, and action words helps us build more detailed and interesting sentences about a picture.

Quick Revision Notes

- A naming word (noun) names a person, place, animal or thing.
- Pictures help us learn new naming words.
- A describing word (adjective) tells more about a naming word.
- 'Big' and 'small' are examples of describing words.
- Action words (verbs) describe what someone is doing.
- 'Running' and 'jumping' are action words.
- Combining word types builds more detailed sentences.
- Pictures help us learn nouns, adjectives and verbs together.

Practice Questions

- 1 List five naming words (nouns) you see in a picture.
- 2 Use one describing word with a naming word, like 'red ball'.
- 3 Draw a picture and label the naming words.
- 4 Make a sentence using a naming word and a describing word.
- 5 Find two action words in a picture and use them in sentences.
- 6 Make one sentence combining a noun, adjective, and verb.
