

Vocabulary and Language Practice - Literary Appreciation (Introduction)

Chapter 4: Literary Appreciation (Introduction) · Topic 2

Key Concept

Important words from this lesson include: literary, appreciation, style, theme, analyse. Knowing these words helps us understand the lesson.

We practice making sentences with these words to use them correctly in speaking and writing.

Learning new words regularly helps build our vocabulary for future reading.

We also practice grammar related to the lesson, using words correctly in sentences.
