

Comprehension - A Poem

Chapter 5: Comprehension - A Poem · Topic 1

Key Concept

Poems often use rhyme and rhythm to express feelings or tell a story in a musical and memorable way.

To understand a poem, we look for the main idea, the feelings expressed, and any rhyming words used.

Reading a poem multiple times and reading it aloud can help us better understand its meaning and enjoy its sound.

Answering questions about a poem, like what it describes or how it makes us feel, checks our comprehension.

Quick Revision Notes

- Poems use rhyme and rhythm.
- They express feelings or tell a story.
- We look for main idea, feelings, rhymes.
- Reading multiple times helps understanding.
- Reading aloud helps enjoy the sound.
- We answer questions about the poem.
