

Getting to Know the Place We Live In

Chapter 3: Getting to Know the Place We Live In · Topic 1

Key Concept

Our locality includes our home, nearby streets, shops, schools, and other important places we visit regularly.

Landmarks are notable places in our locality, like a temple, market, park, or hospital, that help us identify locations.

Knowing the important places in our locality, like the nearest hospital or police station, is useful in emergencies.

Exploring and learning about our locality helps us feel more connected and comfortable in our surroundings.

Quick Revision Notes

- Locality includes home, streets, shops, schools.
- Landmarks: temple, market, park, hospital.
- They help identify locations.
- Knowing emergency places is useful.
- Examples: hospital, police station.
- Exploring locality builds connection.
- It helps us feel comfortable.
- This is an important life skill.

Practice Questions
