

Vocabulary and Language Practice - The Sermon at Benares

Chapter 8: The Sermon at Benares · Topic 2

Key Concept

Important words from this lesson include: Buddha, sermon, grief, wisdom, impermanence. Understanding these words helps us understand the lesson better.

We practice making sentences with these new words to use them correctly in our own speaking and writing.

Learning new words regularly helps build our vocabulary, making it easier to read and understand more advanced texts in the future.

We also practice grammar related to the lesson, like using the words correctly in different types of sentences and contexts.
