

Reading and Understanding 'Nouns and Naming Words'

Chapter 3: Nouns and Naming Words · Topic 1

Key Concept

Nouns can name people, like 'teacher' or 'mother', or places, like 'school' or 'park'.

Nouns can also name animals, like 'dog' or 'cat', or things, like 'ball' or 'book'.

We use nouns in almost every sentence we speak or write, making them very important words to know.

Learning to identify nouns helps us understand and build sentences more easily.
