

Vocabulary and Language Practice - The Cap-seller and the Monkeys

Chapter 4: The Cap-seller and the Monkeys · Topic 2

Key Concept

Action words (verbs) from this story include 'sell', 'sleep', 'climb', 'wear', 'throw', and 'collect'. These words tell us what the characters are doing.

We can practice making sentences using these action words, like 'The monkeys climb the tree' or 'The man sells caps'.

We can also find naming words (nouns) in the story, like 'cap-seller', 'monkeys', 'tree', and 'caps', which name the characters and objects in the story.

Understanding both action words and naming words helps us describe the story's events more completely and clearly.
