

Vocabulary and Language Practice - Greetings

Chapter 2: Greetings · Topic 2

Key Concept

Greeting words include 'Good Morning', 'Good Afternoon', 'Good Evening', 'Good Night', 'Namaste', and 'Hello'. Each one is used at a specific time or situation.

We practice using these words in short sentences, like 'Good Morning, teacher!' or 'Good Night, Mummy!', to build our speaking confidence.

We also learn that 'Hello' and 'Hi' are casual greetings we can use anytime, while 'Good Morning/Afternoon/Evening/Night' depend on the time of day.

Adding a person's name after a greeting, like 'Good Morning, Riya!', makes our greeting warmer and more personal.
