

Our Home and Neighbourhood

Chapter 6: Our Home and Neighbourhood · Topic 1

Key Concept

A home is a place where we live, eat, sleep, and feel safe with our family members.

Our neighbourhood includes nearby houses, shops, parks, and other places that are close to where we live.

Neighbours are people who live near us, and we should be friendly and respectful towards them.

Keeping our home and neighbourhood clean helps keep everyone healthy and makes our surroundings pleasant to live in.
